How many Emberlings?

Count them, then circle the right number.

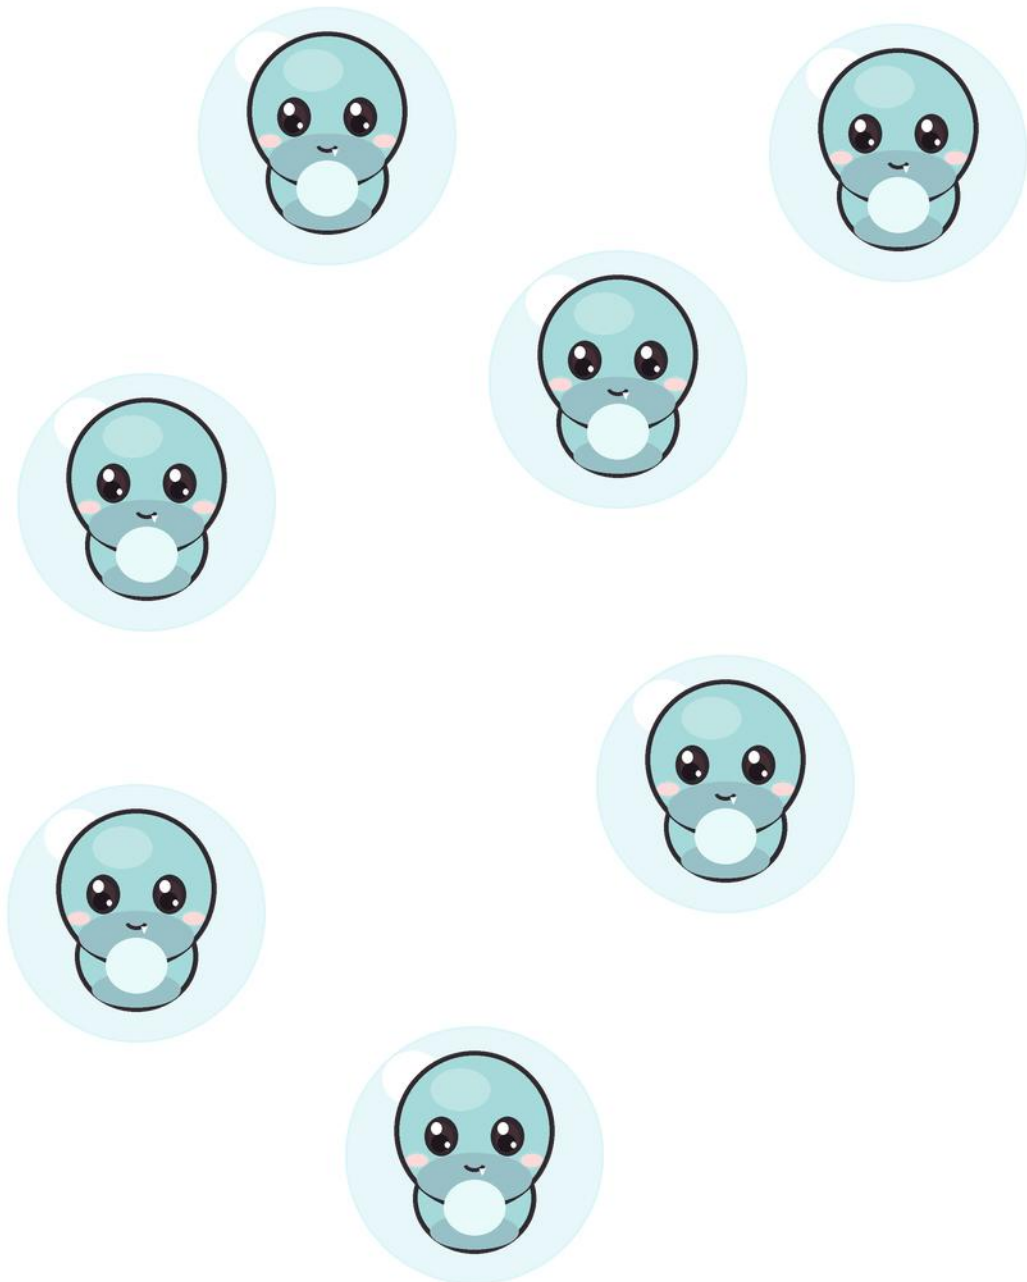

4

5

6

How many Bubbletides?

Count them, then circle the right number.

6

7

8

How many Flufftails?

Count them, then circle the right number.

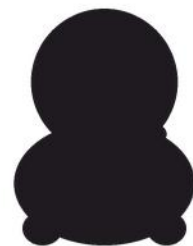

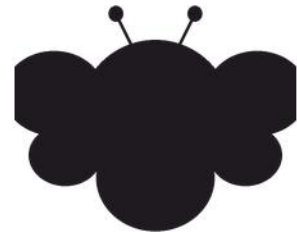

3

4

5

Who made that shadow?

Draw a line from each critter to its shadow.

Answer key (for grown-ups)

How many Emberlings? — 5

How many Bubbletides? — 7

How many Flufftails? — 4

low 2 · Zephyrix → shadow 3 · Glimmerwing → shadow 4 · Mossback → shadow 5

WILDHAVEN ACTIVITY PACK — LICENSE

Print as many copies as you like for your own family or your own classroom. Teachers: yes, the whole class is fine.

Please don't resell or redistribute the files themselves, or use the characters in products you sell.
